

Worldwide Marriage Encounter is for Priests

Yes. Worldwide Marriage Encounter Weekends are designed in such a way that both Priests & Religious can participate fully. The principles of Love, Commitment, & Effective Communication translate quite easily to the relationship between a priest & those to whom he ministers.

Worldwide Marriage Encounter's mission of renewal in the church and change in the world is to assist couples and priests to live fully intimate and responsible relationships by providing them with a Catholic "experience" and ongoing community support for such a lifestyle.

DEAR FATHER...

THIS IS FOR YOU!

What Can A Worldwide Marriage Encounter Weekend Do For You?

“Whether you do it for your people or do it for yourself, just take a weekend off from your ministry & make a Worldwide Marriage Encounter. It was the most important weekend that I spent in my 25 years of priesthood.

I really believe that those whom I have served as a pastor since my weekend would agree.”

(Fr. Dennis Hughes)

“If you are tired of being just another human doing instead of a human being, the weekend helps you to reflect on your own experience of ministry & your value as a person. The weekend humbles priests to see how holy their people are in their courage to take risks & share of themselves. I sensed the awesome presence of the power of the Lord as He moves in the hearts of the people.”

(Fr. Tom Devery)

“I gained a profound respect for the Sacrament of Marriage. In a ministry where almost all of a priest’s time is spent with people who are, will be, or have been married, this understanding I gained from the Weekend has been invaluable.”

(Fr. John Curran)
